

Objectifs pédagogiques

Reflex'English Grammar et Reflex'English Vocabulary sont des séries de ressources pédagogiques numériques dédiées à la révision, à la consolidation et à l'apprentissage intensif de la grammaire et du vocabulaire en anglais.

Composée de 2 niveaux chacune, la solution s'adresse aux apprenants de niveau débutant/faux débutant (A1/A2) et de niveau pré-intermédiaire/intermédiaire (B1/B2) et est conforme aux exigences du CECR (Cadre Européen Commun de Référence).

Chaque niveau comporte 20 leçons avec une multitude d'exercices interactifs, permettant de réviser plus de 40 règles de grammaire et des centaines de termes lexicaux.

Le concept s'appuie sur une approche innovante, issue de la recherche sur la mémoire à court et à long termes qui optimise le processus de mémorisation et assure ainsi une progression rapide.

Reflex'English Grammar et Reflex'English Vocabulary sont des outils indispensables pour l'apprentissage de la langue anglaise ainsi que pour la préparation des examens d'anglais, y compris ceux de la série Cambridge (PET, KET...)
